

# LEGACY BENCHES

A bench on the trail is a perfect way to honor or memorialize a loved one, co-worker, friend, or fellow trail lover.

When you dedicate a bench not only are you providing a tangible and lasting trail amenity for all trail users, but you are directly supporting Fort Wayne Trails and the continued growth of the trail system right here in Allen County.

We have a wide variety of locations to choose from and can work with you to find the perfect place for your dedication.

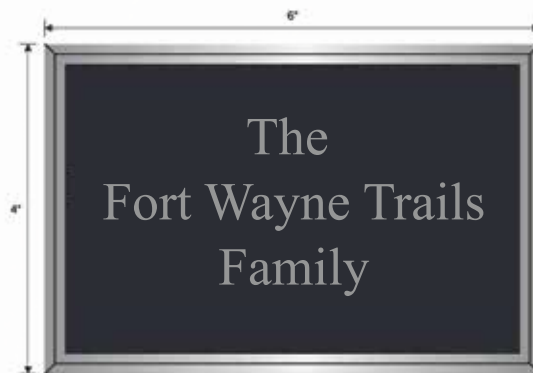

Donor recognition will be established once the pledge commitment agreement form has been signed, and a first payment has been received.
